

Pikesville Recreation Lacrosse Spring 2007 Registration General Information

Welcome to the 2007 spring season. Pikesville Lacrosse is under the auspices of the Maryland Youth Lacrosse Association. It is a full travel program with approximately half of our games being played on our local fields and half at sites around Baltimore County.

Age groupings are as follows:

Tyker: birth years- 1998-1999

Lightning: birth years- 1996-1997

Midget: birth years – 1994-1995

Junior: birth years- 1992-1993 (you are only eligible to be born in 1992 and still play if you have never played on a high school junior varsity team)

Regular season games are scheduled to begin in early April. Our schedule is set forth by the MYLA and typically becomes available the very end of March. Schedules and other MYLA information will be posted on the MYLA website at www.myla.org.

Practices will begin the end of Feb. or beginning of March, weather permitting. Each coach determines the number of practices per week, and the time of his team practice. An individual coach will typically poll his team to determine what works best for the majority of his players. Practices will be held 2-3 times per week until games begin and may be decreased after that. The regular season runs from the beginning of April through the end of May. Most teams will have the option of playing in 2-3 tournaments, one preseason in March and two which take place in June. Players are required to provide their own equipment which should be up to industry standards.

Parent involvement is essential to having a successful program. You are encouraged to participate in whatever capacity you feel comfortable. Please remember to check off on the registration form if you are able to volunteer for your child's team.

The Pikesville Department of Recreation will be holding an open registration for all spring sports on Wednesday, January 31st from 6:30-8:30 at Pikesville High School. You are encouraged to register on-line as early as possible as spaces are filled on a first come, first served basis.

We look forward to meeting your child and helping him/her learn to love the game of lacrosse.
